

**GLADSTONE STATE HIGH SCHOOL  
STUDENT RESOURCE SCHEME 2010                      YEAR 12**

The Student Resource Scheme (SRS) is designed solely to benefit students and parents by substantially reducing the financial burden of purchasing expensive resources. It is a non-profit scheme that provides each participant with textbooks, resource books and materials, computer and Internet access and many other school resources.

Our scheme is fully endorsed by the Gladstone State High School Parents and Citizens Association.

Please note that this Student Resource Scheme is a voluntary scheme. Nearly 100% of parents in the past have elected to join due to the convenience and reduced financial commitment.
