Pathways 2 Success Tutorial Program

BEHAVIOUR CONTRACT

Entry into the P2S program is a privilege and subject to students abiding by all entry requirements. In a program such as this, it is our experience that students applaud the supervision of behaviour. Often it is one of the few environments where they can achieve success. This is a direct result of the individual attention and belief in them from staff.

Student responsibilities include:

- Bring all assessment materials and necessary resources to P2S to work with, including the school planner
- Participate in all P2S activities
- Ensure my behaviour is appropriate in P2S at all times
- Complete homework tasks in my own time, unless up to date with assessment
- Hand in my assessments on time
- Practise the study and organisation strategies that are taught
- Have the right attitude towards learning and always try my best

I, _____ and _____
(Student) (Parent/Caregiver)

understand that the above expectations must be adhered to at all times. Should I deviate from the contract expectations, I will be excluded from P2S and will have to join a KLA class. If this happens, I understand that my chances of rejoining a P2S class are limited and an application would have to be submitted to the principal for approval. Should you agree to this process, please sign below and submit to the Learning Support Coordinator.
